**RE: You & Five-O, LLC**

On behalf of NC Correction Enterprises and staff, I am writing to support Beverly Council and her program, You & Five-O, LLC. As an advocate for ex-offender reentry programs, **You & Five-O** has offered great insight for our offenders preparing to reenter society. This is a program that we have piloted with male and female incarcerated inmates. The feedback was overwhelming. Participants felt empowered learning their rights when interacting with law enforcement as well as how situations should be approached.

**You & Five-O**, provided interactive discussions that will assist in mending community and law enforcement relationships. We believe the program will provide benefits to citizens of all ages. We are excited about continuing this partnership with Ms. Council as we both work to build safer communities. NC Correction Enterprises looks forward to the continued growth of the program and commends Ms. Council for her passion and work in the community.

Sincerely,

Dr. Anthony O. Vann
