

You & Five-O proudly presents a short film:

#HUEMANS

A GUIDE TO GET HOME

SCAN TO WATCH

This film has updated 'The Talk' that parents have with their children about how to safely navigate and survive encounters when they are stopped by the police. **Available to everyone for FREE online, it's the 5.0 version for our youth and the next generation.** The information shared in this 25-minute film can save lives; yours, your kids, your friends, your loved ones. It also will save the lives of Five-O's or "12" (police).
